

Cough Syrup

Melanie Martinez

[Verse 1]

**F** **C**  
Life s too short to even care at all oh oh  
Oh oh oh oh  
**Bb** **C**  
I m losing my mind losing my mind losing control Oh Oh Oh  
**F** **C**  
These fishes in the sea they re staring at me oh oh  
Oh oh oh oh  
**Bb**  
A wet world aches for a beat of a drum  
**C**  
Oh Oh

[Chorus]

**F**  
If I could find a way to see this straight  
**C**  
I d run away  
**Bb** **F** **C**  
To some fortune that I should have found by now  
**Bb** **F** **C**  
I m waiting for this cough syrup to come down, come down

[Verse 2]

**F** **C**  
Life s too short to even care at all oh oh  
Oh oh oh oh  
**Bb** **C**  
I m coming up now coming up now out of the blue  
**F** **C**  
These zombies in the park they re looking for my heart oh oh  
Oh oh oh oh  
**Bb** **C**  
A dark world aches for a splash of the sun oh oh

[Chorus]

**F**  
If I could find a way to see this straight  
**C**  
I d run away  
**Bb** **F** **C**  
To some fortune that I should have found by now  
**F**  
So I run to things they said could restore me  
**C**  
Restore life the way it should be

I m waiting for this cough syrup to come down

[Verse 3]

Life s too short to even care at all oh  
I m losing my mind losing my mind losing control

[Chorus]

If I could find a way to see this straight  
I d run away  
To some fortune that I should have found by now  
So I run to things they said could restore me  
Restore life the way it should be  
I m waiting for this cough syrup to come down

[Outro]

One more spoon of cough syrup now  
One more spoon of cough syrup now
