Am **E** **Am** **E**
Do you have a photograph when you were still in high school
F **G**
Were you happy in it
C **G** **F**
Little reason lots of rhyme
Dm **G** **Am**
Were you happy in it at the time
Am **E**
Way back in your memory
Am **E**
Do you recall the line
F **G**
When your heart was in it
C **G** **F**
And your reason changed your mind
Dm **G** **Am**
Did you love forever at the time
A **Dm**
Are you living here and now
G **C**
Or in the moments past
A **Dm** **G** **C**
Is now tomorrow's memory and will the memory last
Dm **E**
How much of this will pass
Am **E** **Am** **E**
Do you have a photograph when you were only growing
F **G**
And your heart was in it
C **G** **F**
And your reason changed your mind
Dm **G**
When you loved forever
Am
But your reason changed your mind
A **Dm**
The songs that you once loved to sing
G **C**
Are ones that make you cry
A **Dm** **G** **C**
And wouldn't you just give it all to never say goodbye
Dm **E**
We once lived in forever
Dm **E**
But we learned to say goodbye...

Am **E** **Am** **E**
 Do you have a photograph when you were only growing
 F **G**
 And your heart was in it
 C **G** **F**
 Little reason lots of rhyme
 Dm **G**
 Were you happy in it
 C **G** **F**
 But your reason changed your mind
 Dm **G**
 Did you love forever
 Am
 But your reason changed your mind
 F **G** **Am**
 Were you happy in it at the time
A **Dm** **G** **C**
 Is what you wanted long ago long gone from your mind
A **Dm**
 Asks a ghost in dreaming
 G **C**
 Or a friend you left behind
A **Dm**
 The songs that you once loved to sing
 G **C**
 Are the ones that make you cry
 A **Dm** **G** **C**
 And wouldn't you just give it all to never say goodbye...
A **Dm** **G** **C**
 Oh goodbye...goodbye...goodbye
