Okay..here is another chart of AUK..hope that you all can read it...I ve played it a few times and it seems to run well...if anyone needs help with the voicings of the other chords let me know..some of them are at the end

Em7

Its 1:25 a.m. i think ive seen that look somewhere before

A7

Em

1:25 a.m. i thought you were headed for the door

A2

then something touched my skin

B7

i wont ask you to leave here any more

(same)

was it talk or the drink or the dance that led to this

was i so naive presuming the innocence

B7

Em7

A

C

well its 1:54 and its such an unusual kiss

D

come on come on come on

Em

over and over

D

come on come on come on

Em

we all wanted this

D

come on come on come on

Em

over and over

C

B

its such an unusual kiss

the smell the taste the touch is so brand new

the thrill of the eyes that capture this forbidden view

its 2:45 and youll have some explaining to do

its 3:17 a.m. please let me into you eyes

its 4:23 i try to hold on as you rise

ill give you allthat i have if thats what you want me to try

its 5:26 a.m. ive got nothing left that i can say
5:26 a.m. black and white has melted into grey
my baby draws the shades as the taxi pulls away

The riff she does at the end of the lines are played over the Em7 chords
