

Breathe

Melissa Etheridge

Verse

C#min **B**
I played the fool today
C#min **G#** **F#** C#min
I just dream of vanishing into the crowd

B
Longing for home again
C#min **A**
But home...is a feeling I buried in you

Chorus

E **B**
I m alright I m alright
 C#min **A** **B**
It only hurts when I breathe

Verse

And I can t ask for things to be still again
No I can t ask if I
Could walk through the world in your eyes
Longing for home again
But home...is a feeling I buried in you

Chorus

I m alright I m alright
It only hurts when I breathe
I m alright I m alright
it only hurts when I breathe

Bridge

C#min
My window through which nothing hides
 A **B**
And everything sings
C#min
I m counting the signs
 A **B**
And cursing the miles in between
A **B**
Oh....ohh.....

C#min **B**

C#min **A**

And home is a feeling I buried in you

That I buried in you

Repeat Chorus

I hope this is right. This is just the way that my stepdad and I have interpreted it. This song isn't too complicated. Enjoy!
