And I feel the slap and the sting of the foul night air

D

and I know you re only human

Am

And I haven t got talking room

D

But tonight while I m makinng excuses

Em (stop)

Some other woman is making love to you

(Chorus)

Am **G** **D**

Somebody bring me some water

Am **G** **D**

Can t you see I m burning alive

Am **G** **D**

Can t you see my baby s got another lover

Em

I don t know how I m gonna survive

Am **G** **D**

Somebody bring me some water

Am **G** **D**

Can t you see it s out of control

Am **G** **D**

Baby s got my heart baby s got my mind

Em

But tonight the sweet devil, sweet devil s got my soul

when will this aching pass
when will the night be through
I want to hear the breaking glass
I only feel the steel of the red hot truth
And I d do anything to get it out of my mind
I need some insanity that temporary kind
tell me how will I ever be the same
when I know that woman is wispering you name

Chorus

Oh, devil s got my soul

Chorus
