**D**

and I know you re only human

**Am**

And I haven t got talking room

**D**

But tonight while I m makinng excuses

**Em** (stop)

Some other woman is making love to you

(Chorus)

**Am**            **G**            **D**

Somebody bring me some water

**Am**            **G**            **D**

Can t you see I m burning alive

**Am**            **G**            **D**

Can t you see my baby s got another lover

**Em**

I don t know how I m gonna survive

**Am**            **G**            **D**

Somebody bring me some water

**Am**            **G**            **D**

Baby s got my heart baby s got my mind

**Em**

But tonight the sweet devil, sweet devil s got my soul

when will this aching pass  
when will the night be through  
I want to hear the breaking glass  
I only feel the steel of the red hot truth  
And I d do anything to get it out of my mind  
I need some insanity that temporary kind  
tell me how will I ever be the same  
when I know that woman is wispering you name

Chorus

Oh, devil s got my soul
