

Come To My Window
Melissa Etheridge

G C D
Come to my window
G C D
Crawl inside, wait by the light of the moon
G C D
Come to my window
G C D
I ll be home soon.
C G D
C G
I could dial the numbers
D
Just to listen to your breath
C G
I would stand inside my hell
D
And hold the hand of death
C G
You don t know how far I d go
D
Just to ease this precious ache
C G
You don t know how much I d give
D
Or how much I can take
Em C D
Just to reach you
Em C D
Just to reach you
Em C D
Oh to reach you

Chorus

Keeping my eyes open
I can not afford to sleep
Giving away promises
I know that I can t keep
Nothing fills the blackness
That has seeped into my chest
I need you in my blood
I am foresaking all the rest
Just to reach you
Just to reach you
Oh to reach you

Chorus

Em

I don t know what they think

C

I don t care what they say

Am

D

What do they know about this love anyway

Chorus
