

Fearless Love
Melissa Etheridge

D Bm C G
Ohhh

D Bm
When I woke up I was 17

C
You kissed my lips in a bad bad dream

G
Showed me things aren t what they appear to be

D
Called me angel and set me free

Bm
You gave me life in the cold cold dark

C
But you ran away in the mornings spark
G (hold)

Made me think that reality

Is not where I want to be

Bm
I am what I am and

Bm G (hold)
I am what I am afraid of

Oh what am I afraid of

(refrão)

D
I need a fearless love

Bm
Don t need to fear the end

G
If you can t hold me now

A
You will never hold me again

D
I want to live my life

Bm
Pursuing all my happiness

G
I want a fearless love

A D
I won t settle for anything less

D Bm
I ve walked my path had worlds collide

C

I lost my way and I fooled my pride
G (hold)
This lover's ache wouldn't feel so strange

If I could only change

Bm
But I am what I am and
Em G (hold)
I am what I am afraid of
So what am I afraid of

(refrão)

D
I need a fearless love
Bm
Don't need to fear the end

G
If you can't hold me now

A
You will never hold me again

D
I want to live my life

Bm
Pursuing all my happiness

G
I want a fearless love

A
I won't settle for anything less

Bm **Em**
Now I'm not here to lay the blame

G
I understand when you hold a flame

Cadd9
Heads will shake heads will turn

D
And sometimes you just get burned..... (solo) E-----|
