Intro: **D A Bm G**

Verse 1:

**D** **A**  
Funny how it turns out,  
**Bm** **G**  
That everything can change,  
**D** **A**  
What I feel right now,  
**Bm** **G**  
Is not the same as yesterday,

**D** **A**  
Thereâ€™s more than I imagined,  
**Bm** **G**  
Deep inside my heart,  
**D** **A**  
The motions that I never knew,  
**Bm** **G**  
And this is just the scar,

Pre-Chorus:

**G** **G**  
So many things Iâ€™ve been missinâ€™,  
**G** **G**  
Not watchinâ€™, But,  
**A**  
That was all in the past,

Chorus:

**D**  
Now I realize,  
**A**  
Thereâ€™s so much more to learn,  
**Bm**  
Iâ€™m ready for the world,  
**G**

Not scared of letting go,

**D**

Now I realize,

**A**

There's so much more to feel,

**Bm**

And my heart knows it's real,

**G**

The part of me so long forgotten,

**D**

Is calling and this feels like home,

**A Bm G D** " **A - Bm**

Home, home, feels just like home, home

Verse 2:

**D A**

Learning how to smile again,

**Bm G**

Free to show my heart,

**D A**

Knowing I can face the things,

**Bm G**

That used to seem too hard.

**D A**

I look inside your eyes and see,

**Bm G**

A different part of me,

**D A**

Of what I didn't know,

**Bm G**

I wanna remind for everything I need,

:Pre-Chorus and Chorus:

Feels just like home,

Entry Bridge:

**Bm A**

Right from the start, been friends forever,

**Bm A**

Somehow were meant to be together,

**Bm A C**

I feel like you've shown me how to find my way home,

**C**

Find my way home,

**D**

Now I realize,

(**D-A-Bm-G**)

Feels just like home,

Feels just like home,  
Feels just like home,  
Feels just like home,  
**G** -----> **G#**  
Feels like home,

**D#**  
Now I realize,  
**A#**  
There's so much more to learn,  
**Cm**  
I'm ready for the world,

Not scared of letting go,  
**D#**  
Now I realize,  
**A#**  
There's so much more to feel,
