

I Need To Wake Up
Melissa Etheridge

C#
Have i been sleeping?

B
I ve been so still

F#
Afraid of crumbling

C#
Have i been careless?

B **F#**
Dismissing all the distant rumblings

B
Take me where i am supposed to be

G#m
To comprehend the things that i can t see

F#
Cause i need to move

C#
I need to wake up

G#m
I need to change

B
I need to shake up

F#
I need to speak out

C#
Something s got to break up

G#m
I ve been asleep

B **C#**
And i need to wake up

D#m
Now

F# **C#**
And as a child

B **F#**
I danced like it was 1999

C#
My dreams were wild

B
The promise of this new world

F#
Would be mine

B
Now i am throwing off the carelessness of youth

G#m

To listen to an inconvenient truth

That i need to move **F#**
I need to wake up **C#**
I need to change **G#m**
I need to shake up **B**
I need to speak out **F#**
Something s got to break up **C#**
I ve been asleep **G#m**
And i need to wake up **B C#**
D#m
Now

C# C#
I am not an island **B**
I am not alone **C# C#**
I am my intentions **B B**
Trapped here in this flesh and bone

And i need to move **F#**
I need to wake up **C#**
I need to change **G#m**
I need to shake up **B**
I need to speak out **F#**
Something s got to break up **C#**
I ve been asleep **G#m**
And i need to wake up **B B**
F# C#
Now

G#m

I want to change

B

I need to shake up

F#

I need to speak out

C#

Oh, something's got to break up

G#m

I've been asleep

B

C#

And I need to wake up? Now
