

**I Want To Be In Love**  
**Melissa Etheridge**

I want to be in love - By Melissa Etheridge  
From the albumn - Skin.

-----  
A great songwriter and truely wonderfull entertainer,  
catch a concert if you can, there aren t many ladies out there  
who can play guitar like Melissa.

This song is pretty straightforward, standard chords,Sus2 here and there.  
It s the voice and rhythm that make it one you ll want to sing along to.

-----  
This is my first submissiom - been playing for a year so please forgive  
any mistakes - I think it s pretty close to the original.
