I m Not The Only One

VERSE [1] -----

(play a muted G barre chord with a bluesy feel thru whole verse)  
then a little riff kinda like this: (I can play it better than tabbing it :)

E -----|

Please baby can t you see  
My mind s a burnin hell  
I got razors a rippin and tearin and strippin  
My heart apart as well  
Tonight you told me  
That you ache for something new  
And some other woman is lookin like something  
That might be good for you

Chorus:

=====

**Gm** **C** **Csus4**  
Go on and hold her till the screaming is gone  
**Gm** **C** **Csus4**  
Go on believe her when she tells you nothing s wrong
