Intro: G C G C

G C  
She came to this world on a cold night  
G  
Papa turned his head and said  
C  
I don t believe she s mine  
G C  
Single momma raised her in a place where  
Am  
You can look but never touch  
Cadd9  
Cos we don t have enough  
Em  
Don t let your hopes get high  
D  
Cos girls like you can t fly

G D  
Oh the long nights in the small room  
Em  
With the big dreams  
Cadd9  
Oh Indiana  
G D F  
You re only dying here  
C  
And they don t understand you  
G D  
It s a tough road but you start slow  
Em Cadd9  
And before you know it  
F C  
You re not alone  
Am Em D  
Looking for a place called home anywhere  
Cadd9 G C G C  
Oh Indiana

G C  
She tended bar in New York City (indiana)  
G  
People turned their heads and said  
C  
Baby you sure look fine  
G C

They put her on TV and then they told her

**Am**

You re gonna be a star

**Cadd9**

You can go so far

**Em**

Let your hopes get high

**Em**

**D**

Looking for a place called home anywhere

**Cadd9**

Oh Indiana

**Em**

Those big dreams are flying machines

**Cadd9**

And they ll take you

**Am**

**Em D**

Wherever you want to go

**Em**

**Cadd9**

Oh and sometimes you find that what s real is inside

**F**

**C**

You don t have to go away

**Am**

**D**

**Cadd9**

To find your way home

**G**

**C**

Oh Indiana

**G**

**C**

She turned around and she stopped running

**G**

**C**

She saw that fame was never the answer to her prayers

**G**

**C**

She found that answer in her children

**Am**

When she takes them to a place

**Cadd9**

Where they can have so much

**Em**

She lets their hopes get high

**D**

Cos anyone, anyone can fly

**G**

**D**

In the long nights in the small room

**Em**

With the big dreams

**Cadd9**

Oh Indiana

**G**

**D**

**F**

You re only dying here

**C**

And they don t understand you

**G**

**D**

It s a tough road but you start slow

**Em**

**Cadd9**

And before you know it

**F**

**C**

You re not alone

**Am**

**Em**

**D**

Looking for a place called home anywhere

**Cadd9**

**G**

**Cadd9**

**G**

Oh Indiana.....Ohhhhhh

**Cadd9**

she s going back

**G**

**Cadd9**

**G**

**Cadd9**

**G**

**Cadd9**

**G**

**Cadd9**

**G**

Oh oh oh...(etc)
