

It's For You
Melissa Etheridge

(intro) **Em D Em D**

Em **D**
Hey you watching as this light bleeds all over me
Em **D**
Shadows rise and fall listen as I call is this reality
Em
I will be with you tonight
D
and tomorrow be a thousand miles away
Em
I will be with you tonight
D
I will be with you as long as you say stay

C
Oh one little piece of my soul
Bm
One little piece of my whole life
A
I give to you, take it now

Dm
I m with you, I m not with my lover
Bb G
It s not for another broken heart
Dm
It s for you
Bb
Not just for some shattered dream I once knew
G
It s for you
Em D
It s for you

Em **D**
Hey you looking through a mirror to a cage
Em **D**
I ll take you away this miracle you pray for on the stage
Em
I will be with you tonight
D
I will be with you a thousand miles away
Em
I will never leave
D
Inside of you a piece of me will stay
