A ---2-----2-----|
E -0-----0-----|
```

VERSE:

```
E   Esus4  A   G               E   Esus4
Lay down baby let me coax your fire
E   Esus4  A           G               E   Esus4
Stay here baby you re walking on a wire
E   Esus4  A   G               E   Esus4
Close your eyes surrender inhibition
E   Esus4  A           G               E   Esus4
Free your mind of any superstition
```

CHORUS:

```
A /B  B
Isnt it just what you asked for
A /B  B
Right here, right here in front of you
A /B B               A
It must be just what you asked for
```

VERSE:

```
E   Esus4  A           G               E   Esus4
What you need is just a little change
E Esus4  A           G               E   Esus4
I can help you to rearrange
E   Esus4  A           G               E   Esus4
```

I know honey, honey ... honey just how to inspire  
**E Esus4 A G E Esus4**  
I have everything that you might require

CHORUS:

**A /B B**  
Isn't it just what you asked for  
**A /B B**  
Right here, right here in front of you  
**A /B B A**  
It must be just what you asked for  
Hey-Yeah

**E D**  
Isn't it just what you asked for  
**C A**  
Right here, right here in front of you  
**E D C**  
It must be just what you asked for
