MESSAGE TO MYSELF

Capo 1

G D

I'm sending out a message to myself - So that when I hear it on the radio

Em G D

I will know that I am fine - I will know that I am loved

D " **G** " **Am** " **G** (repeat)

D Am G

I warned myself of the blackness in my chest

D Am G

The razors in my heart would never rest

G D

It's funny how you find just what you seek

G F#m Em A / G F#m A

Love is what you get, when love is what you speak

I'm sending out a message to myself - So that when I hear it on the radio

I will know that I am fine - I will know that I am loved

D " **G** " **Am** " **G** (repeat)

I made every choice along the way

Each day I spent in hell, I chose to stay

It's funny what you fear can make you weak

Truth is what you get, when truth is what you speak

I'm sending out a message to myself - So that when I hear it on the radio

I will know that I am fine - I will know that I am loved

A Bm G A D

So if you are listening - I am just passing thru

A Bm G A D

You can take some for yourself - Cos it works that way too
