

Nervous

Melissa Etheridge

I got most of the chords from watching them play it live on You tube

NERVOUS

INTRO: **A**

A **F#** **D** **A**
They don't much care for you no they don't like your kind
A **F#**
The way you look walk or the way you talk
D **A**
The way you always speak your mind
A **C9**
But you want to be my friend you're not anything like them
D **A**
You can show me things I've never seen
A **F#**
You say ooo child what a waste if we never took a taste
D **A**
Of everything we find in between

CHORUS

A
Ooo you make me nervous
C9 **G** **D**
Ooo you make me want to run away and hide
A **C9**
Ooo you make me nervous
G **C9** **E**
When you look at me I just can't lie
A
Ooo you make me nervous tonight
A **F#** **D** **A**
Feels so wrong and feels so right feels like insanity
A **F#**
I keep acting strange hoping that I'll change
D **A**
Waking in a sweat from a burning dream
A **C9**
And then look at all my friends I keep on pleasing them
D **A**
Caught up in the chaos of their minds
A **F#**
Ooo child the fear I have Keeps me bound and keeps me gagged

D **A**
Keeps me pushing harder all the time

A
Ooo you make me nervous
C9 **G** **D**
Ooo you make me want to run away and hide

A **C9**
Ooo you make me nervous
G **C9** **E**
When you look at me I just can t lie

A
I want to shovel all the blame
C9
I want to shoot out all the lights
G **C9** **E**
I want to call you names and start a fight

A
Because you make me nervous tonight

A

A **C9** **D** **E** **C9**
Heart pounds hands wet mouth dry
A **C9** **D** **C9** **E**
I shake I scream I cry
A **C9** **D** **E** **C9**
No eat no sleep all night
C9 **D**
I build my lonely cell with secrets I can t tell
C9
Frozen in my fright
G **G#** **A**
Ooo you make me nervous tonight

You make me nervous
You make me nervous
You make me nervous

Chorus
