[G] Don t be a-[C] fraid close [G] your eyes
lay it all [C] down..... don t you [G] cry
can t you see I-[C] I m going
where I can see the sun [Em] rise
I ve been talking to my [C] angels [D]
and they say that it s al-[G] right

[G] I ve always had to [C] run
I don t know just [G] why
desire [C] slowly smoking
under the mid west [G] sky
but there s something waiting [C] out there
that says I ve [Em] got to try
I ve been talking to my [C] angels [D-Pause]
and they say that it s al-[G] right

[bridge]
[F] this town thinks I m crazy, they just think I m [G] strange
[F] sometimes they would own me sometimes they wish [G] I d change
but I can [C] feel the thunder under-[Em] neath my feet
I sold my [C] soul for freedom, [D] it s lonely but it s [G] sweet

[G] Don t be a-[C] fraid close [G] your eyes
lay it all [C] down..... don t you [G] cry
can t you see I-[C] I m going
where I can see the sun [Em] rise
I ve been talking to my [C] angels [D-Pause]
and they say that it s alright
