[Verse]

	Ebm							C#(2)											
Come on baby, let s get out of this town																			
	Ebm							C#(2)											
I got a full tank of gas with the top rolled down																			
	B								Bbm						F#				
There s a chill in my bones, I don t want to be left alone																			
									C#(2)										
so baby you can sleep while I drive																			
	Ebm							C#(2)											
I ll pack my bag and load up my guitar																			
	Ebm							C#(2)											
In my pocket I ll carry my harp																			
	B								Bbm						F#				
I got some money I ve saved enough to get underway																			
	B									F#					C#(2)				
and baby you can sleep while I drive																			
	Ebm							C#(2)											
We ll go through Tucson up to Santa Fe																			
	Ebm							C#(2)											
and Barb ra in Nashville says we re welcome to stay																			
	B								Bbm						F#				
I ll buy you glasses in Texas, a hat from New Orleans																			
	B									F#					C#(2)				
and in the morning you can tell me your dreams																			
	G#7													F#				C#	
You know I ve seen it before, this mist that covers your eyes																			
	G#7													F#				C#	
You ve been looking for something that s not in your life																			
	B								Bbm					F#					
My intentions are true, won t you take me with you?																			
	B								F#						C#(2)				
and baby you can sleep while I drive
