

Alive

Melissa O'Neil

D F#m  
Stuck in a world, no longer turning  
Bm G  
Always the girl, waiting for something  
D F#m  
Too many days, walking around sleeping  
Bm E  
Open my eyes, I m tired of dreaming

G D A  
I wanna run with a reckless emotion  
G D A  
Find out if love is the size of an ocean  
G D  
Even if I crash down and burn out  
A Bm G E  
At least I m gonna know what it s like to feel alive

D F#m Bm G  
Hey yeah, hey yeah yeah yeah yeah

Sun on my face, lights from the city  
Maybe in love, or just learning to be  
On my two feet, I can only imagine  
I ll say the words and believe it ll happen

I wanna run with a reckless emotion  
Find out if love is the size of an ocean  
Even if I crash down and burn out  
At least I m gonna know what it s like to feel alive

Bm F#m  
They think they know me but how can they know me  
G Bm  
I m getting to know myself  
Bm F#m G E  
I m finally ready to be somebody with a story to tell

I wanna run with a reckless emotion  
Find out if love is the size of an ocean  
Even if I crash down and burn out  
At least I m gonna know what it s like

I wanna feel til my heart rips right open  
I wanna blaze like a fire that s growing  
Even if I crash down and burn out  
At least I m gonna know what it s like to feel alive

Oh I feel alive
