Melissa O'Neil - Speechless

Intro: **Am, Fmaj7, Dm, E7**

Verse 1:

Am Fmaj7 Dm E7
I find I get lost for words around you
Overwhelmed by your presence
I feel the same, I hear the words you won't say
Echo through your eyes

Pre-Chorus:

Fmaj7
Nothing more for me to say
E7
Silence understands some things
Fmaj7 E7
What is meant to be, will be

[Chorus:]

Am C F E7
Sometimes it's the words we don't say that get in the way
Am C F E7
Time will break down the walls that we've built between us
Fmaj7 E7
I won't ever be speechless

Instrumental: **Am, Fmaj7, Dm, E7**

How do I describe all these colours inside
Nothing left for me to say anyway
