Tell me little love, why do you treat me cold?
Why in nightly dark it s dark against your soul
who you let the season
when is gone is gone,
never know if sun or rain still or fall,
you re running away from me (x4)
Oh you know you re so beautiful to me
even when you hurt, you hurt tenderly
know I m on your string and I m on your ring
someone tell me fool, while I m bending.
you re running away from me (x4)
And there s so much things I could do for you
if you only let me try to do,
why do you say to love me,
if then you cry on your truth?
