

September
Melodrom

Hello, this is a tab of the song September by the Slovenian band Melodrom.

<http://www.melodrom.com/>

I liked the song the first time I heard it. I decided to tab it because I couldn't find

any tabs of it. It is in Slovene and the title means the month of septembre. I will only

post the chords - you decide about the rhythm and other stuff.

VERSE

Cm D#maj7 G# D7#9 D7b9 G G7

```
E | -3----3---(4)-----3--3--- |
