                  Don t You Worry Baby - Melody Gardot
-------------------------------------------------------------------------
```

Tabbed by: syphaxe
Tuning: standard

In the album version, pluck a bass string and a couple trebles for all of the
chords. For the verse, it sounds like the C6 and F7 are played up on the neck
(with the 8th fret barred). For the chorus, she plays positions further down.
Listen and uck around with it.

[[verse i]]

```
    C6 (x2)               F7 (x2)          C6 (x2)       F7 (x2)
Well, don t you worry baby I will always come home

    C6 (x2)               F7 (x2)          C6 (x2)       F7 (x2)
Don t you worry baby I won t leave you alone

    C6 (x2)               F7 (x2)          C6 (x2)       F7 (x2)
You can try to tell me you d rather be on your own

    C6 (x2)               F7 (x2)          G7 (x4)
Well don t you worry baby, I ll never leave you alone - no no
```

[[chorus]]

```
C7                    F#7         F7
Because I love you too much

C7                    F#7         F7
You know I love you too much

C7                    F#7         F7
mmmWell I love you too much

                        C7 (x2)    Ab7   G7
To leave you on your own
```

[[verse ii]]

```
    C6 (x2)           F7 (x2)           C6 (x2)       F7 (x2)
Don t you fret none baby I ll never walk away

    C6 (x2)           F7 (x2)           C6 (x2)       F7 (x2)
Don t you fret none child I am here to stay (blahmmahfahmah)

    C6 (x2)           F7 (x2)           C6 (x2)       F7 (x2)
You can try to tell me there ain t no other way

    C6 (x2)           F7 (x2)           G7 (x4)
But don t you worry baby everything will be Ok yeaah ahhh
```

[[chorus]]

```
C7                 F#7        F7 (x2)
Because I love you too much

C7                 F#7        F7 (x2)
You know I love you too much

C7                 F#7        F7 (x2)
I love you too much

                 C7 (x2)    G7
To let you walk away
```

[[bridge]]

(reeeely reely bad whistling....specially near end of solo -- see Andrew Bird
for reference)

```
C6 (x4)    F7 (x4)
C6 (x4)    F7 (x4)
C6 (x4)    F7 (x2)  Ab7  G7
```

[[verse iii]]

```
    C6 (x2)           F7 (x2)           C6 (x2)       F7 (x2)
Don t you worry baby I will always come home

    C6 (x2)           F7 (x2)           C6 (x2)       F7 (x2)
```

Don t you worry baby I won t leave you alone

    C6 (x2)   **F7** (x2)   **C6** (x2)   **F7** (x2)
You can try to tell me you d rather be on your own

    C6 (x2)   **F7** (x2)   **G7**   **F#7**   **F7**
Don t you worry baby I ll never leave you alone - no way

C6 (till the end)

I could never leave you
I would never leave you
Don t you worry baby
