[Verse 1]

```
Amaj13                                        F#m13
If the stars were mine  I d give them all to you
F#m13
I d pluck them down right from the sky And leave it only blue
E9
I would never let the sun forget To shine upon your face
Amaj13                            E9
So when others would have rain clouds You d have only sunny days
Amaj13                                    F#m13
If the stars were mine I d tell you what I d do
Eb7      D7        C#7       C7      E7                 Amaj13
I d put the stars right in a jar And give  em all to you
```

[Verse 2]

```
Amaj13                                        F#m13
If the birds were mine I d tell them when to sing
F#m13
I d make them sing a sonnet When your telephone would ring
E9
I would put them there inside the square Whenever you went out
Amaj13                          E9
So there d always be sweet music Whenever you walk about
Amaj13                                  F#m13
If the birds were mine I d tell you what I d do
Eb7      D7        C#7       C7      E7                 Amaj13
I d teach the birds such lovely words And make  em sing for you
Eb7      D7        C#7       C7      E7                      Amaj13
I d teach the birds such lovely words And make  em sing for you
```

If the world was mine I d paint it gold and green
F#m13
I d make the oceans orange For a brilliant color scheme
E9

Amaj13                          E9
