Melody Gardot

Key: **C#**

C#
Sweet Memory
Talking bout a sweet memory
     Eb7   **C#**
It goes round and round in my head
     Eb7   **C#**
Pretty soon I ll want the real thing instead
                  F G#7   **C#**
But for now I got this sweet memory.

Sunny day... Sunny day...
     Eb7   **C#**
Not a cloud crosses the sky
     Eb7   **C#**
Not a tear comes to my eye
     F G#7   **C#**
On this sunny day
