

**Wicked Ride**  
**Melody Gardot**

**Dm** **F** **A#** **Csus2**  
There comes a time

**Dm** **F** **A#** **Csus2**  
in every little girl s life

**Dm** **F**  
When her momma says,

**A#** **Csus2**  
Girl, do your best

**Dm** **F** **A#** **Csus2**  
Cause one day you may come to find

**Am**  
That all of your life

**Csus2** **Dm** **F** **A#**  
has been a wicked ride

**Dm** **F** **A#** **Csus2**  
There comes a time

**Dm** **F** **A#** **Csus2**  
in every young woman s life

**Dm** **F**  
When all of the men

**A#** **Csus2**  
though they come and go again

**Dm** **F** **A#** **Csus2**  
Its hardly enough to survive

**Am**  
And she starts to think

**Csus2** **Dm** **F** **A#**  
life is a wicked ride

**Dm** **F** **A#** **Csus2**  
There comes a time

**Dm** **F** **A#** **Csus2**  
in every old woman s life

**Dm** **F**  
When she takes a look

**A#** **Csus2**  
in her picture book

**Dm** **F** **A#** **Csus2**  
And then she begins to realize

**Am**  
That all of her life

**Csus2** **Dm** **F** **A#**  
has been a wicked ride

**Am**  
All of her life, all of her life, all of her life

**Csus2** **Dm** **F** **A#**  
has been a wicked ride
