

Wicked Ride
Melody Gardot

Dm F A# Csus2
There comes a time

Dm F A# Csus2
in every little girl s life

Dm F
When her momma says,

A# Csus2
Girl, do your best

Dm F A# Csus2
Cause one day you may come to find

Am
That all of your life

Dm F A#
Csus2
has been a wicked ride

Dm F A# Csus2
There comes a time

Dm F A# Csus2
in every young woman s life

Dm F
When all of the men

A# Csus2
though they come and go again

Dm F A# Csus2
Its hardly enough to survive

Am
And she starts to think

Dm F A#
Csus2
life is a wicked ride

Dm F A# Csus2
There comes a time

Dm **F** **A#** **Csus2**
in every old woman s life

Dm **F**
When she takes a look

A# **Csus2**
in her picture book

Dm **F** **A#** **Csus2**
And then she begins to realize

Am
That all of her life

Csus2 **Dm** **F** **A#**
has been a wicked ride

Am
All of her life, all of her life, all of her life

Csus2 **Dm** **F** **A#**
has been a wicked ride
