(2x)

Versos:

E	B
I can t get to sleep	
D	A
I think about the implications	
E	B
Of diving in too deep	
D	A
And possibly the complications	
E	B
Especially at night	
D	A
I worry over situations	
E	B
I know will be alright	
D	A
Perhaps it s just imagination	

Refrão:

C#m	B	
Day after day it reappears		
C#m		
Night after night my heartbeat		
A	B	
shows the fear		
G#	A	B
Ghosts appear and fade away		

Versos:

E	B
Alone between the sheets	
D	A
Only brings exasperation	
E	B

It s time to walk the streets  
 D                    A  
 Smell the desperation  
 E                    B  
 At least there s pretty lights  
 D                    A  
 And though there s little variation  
 E                    B  
 It nullifies the night  
 D                    A  
 From overkill

Refrão:

C#m                    B  
 Day after day it reappears  
 C#m  
 Night after night my heartbeat  
 A                    B  
 shows the fear  
 G#                    A
