Men I Trust - Break For Lovers

[Intro]

Bm7

Bm7

[Verse 1]

Bm7 **A** **Gmaj7** **Em7**

Letâ€™s lay down our masks and be true

Bm7 **A** **Gmaj7** **Em7**

So that our eyes be bound in affection

Bm7 **A** **Gmaj7** **Em7**

Aware of our lust and our shared trust, we can know each other

Bm7 **A** **Gmaj7** **Em7**

And hear natureâ€™s words, my dear friend

[Chorus]

Em7 **Gmaj7** **Em7**

But letâ€™s not talk this through (I used to)

Bm7 **A**

Cause long words widen gaps between lovers

Gmaj7 **Em7**

We ought to be lone, my homeâ€™s your own

Bm7 **A**

Until we have each other weâ€™re strangers

[Verse 2]

Bm7 **A** **Gmaj7** **Em7**

I know thereâ€™s a reason we use such curves

Bm7 **A** **Gmaj7** **Em7**

Riddles in smiles rather than small talk

Bm7 **A** **Gmaj7** **Em7**

I know we both want things to be done in a truthful manner

Bm7 **A** **Gmaj7** **Em7**

There lies our rest, my dear friend

[Chorus]

Em7 **Gmaj7** **Em7**

But letâ€™s not talk this through (I used to)

Bm7 **A**

Cause long words widen gaps between lovers

Gmaj7 **Em7**

We ought to be lone, my homeâ€™s your own

Bm7 **A**

Until we have each other weâ€™re strangers

Gmaj7 **Em7**

Letâ€™s not talk this through (I used to)
