[Verse 1]

**Ama j7**                    **G#m7**                    **C#maj7** **Ema j7**  
 In the shadows he saw four eyes, lit by fire, fire

**Ama j7**                    **G#m7**                    **F#m7/A** **B7/A**  
 Heâ€™d never done that with a lover before, before

**Ama j7**                    **G#m7**                    **C#maj7**                    **Ema j7**  
 Meanwhile everyone else got lost in quiet, by the rivier

**Ama j7**                    **G#m7**                    **F#m7/A** **B7/A**  
 Seeking for more, of course he found better, better

[Chorus]

**Ama j7**                    **G#m7**                    **C#maj7** **Ema j7**  
 He saw them, they saw him; but everyone just kept on going

**Ama j7**                    **G#m7**  
 What he saw was different, he should have gone to bed

**F#m7/A**                    **B7/A**  
 But instead he stuck around for the mood

[Verse 2]

**Ama j7**                    **G#m7**                    **C#maj7** **Ema j7**  
 In the shadows he saw four eyes, lit by fire, fire

**Ama j7**                    **G#m7**                    **F#m7/A** **B7/A**  
 Heâ€™d never done that with a lover before, before

**Ama j7**                    **G#m7**                    **C#maj7**  
**Ema j7**  
 (He was seeking for more) either early or too late, it was number seven, and it happened

**Ama j7**                    **G#m7**                    **F#m7/A** **B7/A**  
 High like a bird with his beak through the window

[Chorus]

**Ama j7**                    **G#m7**                    **C#maj7** **Ema j7**  
 He saw them, they saw him; but everyone just kept on going

**Ama j7**                    **G#m7**  
 What he saw was different, he should have gone to bed

**F#m7/A**                    **B7/A**  
 But instead he stuck around for the mood

**Ama j7**                    **G#m7**                    **C#maj7** **Ema j7**  
 He saw them, they saw him; but everyone just kept on going

**Ama j7 G#m7**

What he saw was different, he should have gone to bed

**F#m7/A**

**B7/A**

But instead he stuck around for the mood

[Outro]

**Ama j7 G#m7 C#maj7 Ema j7**

He was seeking for more, he was seeking for more

**Ama j7 G#m7 F#m7/A B7/A**

He was seeking for more, he was seeking for more

**Ama j7 G#m7 C#maj7 Ema j7**

He was seeking for more, he was seeking for more

**Ama j7 G#m7 F#m7/A B7/A**

He was seeking for more, he was seeking for more

**Ama j7 G#m7 C#maj7 Ema j7**

He was seeking for more, he was seeking for more

**Ama j7 G#m7 F#m7/A B7/A**

He was seeking for more, he was seeking for more

**Ama j7 G#m7 C#maj7 Ema j7**

He was seeking for more, he was seeking for more

**Ama j7 G#m7 F#m7/A B7/A**

He was seeking for more, he was seeking for more
