

Living In China
Men Without Hats

[Intro]

D

[Chorus]

D Bb C A
They got the red book, They got the new look, The little people that are living
in China

D Bb C A
They got the answers to all the questions, The little people that are living in
China

D Bb C A
The solution is revolution, For little people that are living in China

D Bb C A
Got ping pong egg foo yung, All of the people that are living in China

[Verse 1]

C G Bb Eb F C
What would Chairman Mao say If he knew what they re doing to his wife today

C G Bb Eb F C
What did China do? She ordered out submarines instead of Chinese food

C G Bb Eb F C
China, Fields of rice, Modern man, No longer evil, be a paradise

C G Bb Eb F C G
What did the Chairman want, A great big wall they could all watch orientals on

[Chorus]

D Bb C A
They got the red book, They got the new look, The little people that are living
in China

D Bb C A
They got the answers to all the questions, The little people that are living in
China

D Bb C A
The solution is revolution, For little people that are living in China

D Bb C A
Got ping pong egg foo yung, All of the people that are living in China

[Verse 2]

C G Bb Eb F C
What would Chairman Mao say if he knew what his people think of him today

C G Bb Eb F C
Revolution is out of hand, The Gang Of Four try to make it as a western band

C G Bb Eb F C
China, What do you need, You ve got everything from your scruffy head to dirty
feet

C G Bb Eb F C
G

China, Do you want to dance, You re wearing makeup and listening to Adam And The Ants

[Chorus]

D **Bb** **C**

A
They ve got the new look, They ve got the red book, The little people that are living in China

D **Bb** **C**

A
They re wearing no clothes, Collecting post cards, The little people that are living in China

D **Bb** **C** **A**

The solution is revolution, All of the people that are living in China

D **Bb** **C** **A**

D
They got the answers to all the questions, The little people that are living in China

Bb **C** **A D** **Bb** **C** **A D** **Bb** **C** **A D**

Bb **C** **A**

They re living in China, China, Living in China, China, Living in China, China, Living in China

(Fade Out)
