### Mental as Anything

Stretchmarks - Mental as Anything

Well I ve got stretchmarks on my [G]brain  
Just tryin to figure out your [E7]game  
I don t understand the [Am]rules,  
Who is who and whose is [D]whose  
But I m playin just the [G]same

I ve got a ticket to a [G]place  
It s called confusion on my [E7]face  
I don t have a single [Am]clue  
How can I keep up with [D]you?  
I m not even in the [G]race

You tell me I am in the [E]wrong  
And then you praise my stupid [Am]songs  
I m never sure of what to [D]say  
A nervous breakdown every [G]day

You take no prisoners with [E]me  
And then you tell me I am [Am]free  
But I will never get [D]away  
I m in love and I m [G]afraid

### G E7 Am D G

Well I ve got stretchmarks on my [G]brain  
Just tryin to figure out your [E7]game  
I don t understand the [Am]rules,  
Who is who and whose is [D]whose  
But I m playing just the [G]same

And you re not gonna let me [G]go  
Til you find out what I [E7]know  
And I don t know a single [Am]thing  
Cept that I can never [D]win  
And you always tell me [G]so

You take no prisoners with [E]me  
And then you tell me I am [Am]free  
But I will never get [D]away  
I m in love and I m [G]afraid
