Stretchmarks - Mental as Anything

Well I ve got stretchmarks on my [G]brain
Just tryin to figure out your [E7]game
I don t understand the [Am]rules,
Who is who and whose is [D]whose
But I m playin just the [G]same

I ve got a ticket to a [G]place
It s called confusion on my [E7]face
I don t have a single [Am]clue
How can I keep up with [D]you?
I m not even in the [G]race

You tell me I am in the [E]wrong
And then you praise my stupid [Am]songs
I m never sure of what to [D]say
A nervous breakdown every [G]day

You take no prisoners with [E]me
And then you tell me I am [Am]free
But I will never get [D]away
I m in love and I m [G]afraid

G E7 Am D G

Well I ve got stretchmarks on my [G]brain
Just tryin to figure out your [E7]game
I don t understand the [Am]rules,
Who is who and whose is [D]whose
But I m playing just the [G]same

And you re not gonna let me [G]go
Til you find out what I [E7]know
And I don t know a single [Am]thing
Cept that I can never [D]win
And you always tell me [G]so

You take no prisoners with [E]me
And then you tell me I am [Am]free
But I will never get [D]away
I m in love and I m [G]afraid
