Verse:

```
   E                 F#                    G#m
```
An unseen force behind the turning leaves,
```
                                   G#m
```
Drives them all vermillion and green,
```
            F#              E
```
You never gave up on me somehow,
```
                 F#                     G#m          F#
```
I don t know why I haven t turned by now

```
And there s times you feel unlockable,
```
   G#m                F#/B
```
An all you ever want,
```
              B           Ebsus4                   G#m         E

```
I m asking you to please, allow me now
