

Back To You MercyMe

Artist: MercyMe

Album: The Generous Mr. Lovewell

Chords by: Kurtis

This is definitely one of my favorite songs by MercyMe on this album. It s very simple, but carries a really good message. I probably didn t need to write out all the lyrics, but just to be thorough, they re here for you. I ve put the standard chords above the lyrics, although I think it sounds a little better with the barre chords, so those are here as well.

Chords used: **D A G Bm**

Yeah and I will, hit the ground runnin back to You,
Oh, I may slip, slide, and watch our worlds collide,
But I will, yes I will, hit the ground runnin back to You

Oh yeah, I hit the ground runnin back to You.

||: I hit the ground, crashin down, rollin round, but I rebound,
I get back up and I ll be found, runnin , runnin back to You :||

I m runnin back to You,
Back to You, back to You, back to You...
Runnin back to you...
