

**Beautiful**  
**MercyMe**

Artist: MercyMe  
Song: Beautiful  
Album: The Generous Mr. Lovewell  
Tabbed by: Bigg Trav

I dedicate this to 2011 ISU STLF Mystery Bus #3. The creator of the universe loves YOU.  
Yeah Buddy!

Note: Each line in the verses (and a couple in the chorus) have 3 chords that I have noted. I find that you can actually skip the middle chord of each of those lines most of the time and it sounds alright too.
