

Don't Give Up On Me
MercyMe

Em **A9**
Will You find me no matter where I am
Em **G** **Am7**
Will You forgive time and time again
Em
I feel like a child wondering
A9 **Am7**
It s hard to believe to comprehend
Em **G** **D9**
That You would love me in the state I m in

C
When I m falling
C
When I m falling down
G **D**
When it s all stripped away
C
When my world comes crashing
C
Crashing down
G **D**
Will You still be with me
Em **A9**
Who am I You d even say my name
Em **G** **Am7**
Within the same the same breath as grace
Em
You cross every bridge I have burned
A9 **Am7**
You reach for me when it s undeserved
Em **G** **D9**
Wish I could see what You see in me
C **Em** **G** **D**
Oh don t give up on me
C
Be still I ll never leave you

G **D**
When you re far I am near
C
My grace will always be greater
G **D**
Than the sum of all your fears
