Who are we **G** That You would be mindful of us **Em**

We are free **G** In ways that we never should be **Em**  
Sweet release **C** From the grip of these chains **G**

**D**  
Like hinges straining from the weight  
**C**  
My heart no longer can keep from singing

**G** All that is within me cries **D** For You alone be glorified  
**C** Immanuel **G** God with us  
**D** My heart sings a brand new song **G** The debt is paid these chains are gone  
**C** Immanuel **G** God with us

Verse 2

Lord You know **G** Our hearts donâ€™t deserve Your glory **Em**  
**C** Still You show **G** A love we cannot afford

Like hinges straining from the weight

My heart no longer can keep from singing
