

**Only You Remain**  
**MercyMe**

Here are the basic chords I ve heard from listening to the song:

Note: This song is split into different keys. The verses are in the key of F and the Chorus and the rest are in the key of D. What makes this song more confusing is the fact that the artist sings the verses in sort of a harmony (listen to the song and you ll know what I mean).

Capo is put on the first fret.
