

Have To Have You
Meredith Andrews

[Intro]

Em D/F# D G

Em D/F# G

[Verse 1]

Like the branches of a tree
Every limb and every leaf
Every single part of me begins in You
Like an endless symphony
Every note and every beat
My whole life a melody composed by You
My whole life a melody composed by You

[Chorus]

I have to have Your presence
I have to know the sound of Your voice
I long to touch the heavens
I don't want to live without You
I don't want to live without You

[Instrumental]

Bm A D G

[Verse 2]

Like the waves upon the shore
Ever reaching out for more
All that I adore is found in You
Just as simple as a child
Longing for the father's smile

Every moment of my life wrapped up in You
Em **D/F#** **G**
Every moment of my life wrapped up in You
