

Crazy

Meredith Brooks

Well, when i searched the chords to this song i couldn t find them anywhere, so i sat down for a while with my guitar and the song on repeat, and this is what i heard. it s not exact but it s simple and sounds just fine. enjoy!

Standard tuning

the chords are G D Em C for the entire song. i put them above the beginning and the chorus on when they change, but it s the same rhythm for the whole song the chords just repeat.

do do dodo do...

G D Em C

ahhh do do dudu do do do do dudu do

G D Em C

do do dudu do do do do dudu do..

G D Em C

Jump in it s fine without a lifeboat
I will give it another try
You say come back, don t go in too deep
But it s a rush to see me do it
Cause you don t dare
Even though there s nothing to it

[Chorus]

G D Em C

This town s always gonna think I m a little crazy

G D Em C

Somebody s always gonna try to label me insane

G D Em C

Funny how I always seem to be the one who s crazy

G D Em

I just wanna live, I don t wanna fit

C G D C

If that makes me crazy, then I am

G D Em C

G D Em C :|

No way I feel like nothings goin
My way but my future s bright
Don t have a single dollar left
Got my keys inside my car
and the high way is opening wide
You ask me where, I can t tell you
But I m putting town the pedal tonight

[Chorus]

You say don t change a single thing
But your list is longer than my day
I can t help wondering
When all is said and all is done
Am I the crazy one?

I just want to live
I don t want to fit
I just want to try
I don t want to quit
If that makes me crazy, I am
