Intro: **Am**

**Am**

Prick of the pin

No blood on me

I ve been tested

Totaled, wasted

In too deep

**G**

To the zone

I retreat

**Am**

What doesn t kill you makes you strong eventually

Blade to my skin

Blurring the edge

Seven doves are waiting for me up ahead

**G**

I just breathe in

I just breathe out

**D**

Dadd4

I ve taken every hairpin curve by now

**Bm**

I may crack but I ll never shatter

I may crack but it doesn t matter

I may crack but I ll never shatter

I may crack

**Am**

Promise the world

Dropped in a pool

Was it fun? Did you enjoy acting so cruel?

**G**

Well here s the thing

Still have my head

**Am**

I stumbled hard but I m not sleeping in your bed

Saved by the sun, no shame on me

Come out screaming, it s the only time we re free

I just breathe out

I just breathe in

**D**

Dadd4

I ride the wave until I come again

**Bm**

I may crack but I ll never shatter

I may crack but it doesn t matter

I may crack but I ll never shatter

I may crack

But I ll never shatter cause:

**D**

Dadd4

I still have a secret

**D**

Dadd4

In the dark I keep it close

**D**

Dadd4

I still have a secret no one knows...

**B5/F#**

I may crack but I ll never shatter

Tested, wasted over and over

**A5/F#**

I may crack but it doesn t matter

**B5/F#**

In the darkness I am the shadow

Shake down twisted and tight

It s amusing that I m feelin^? fine

**A5/F#**

I just breathe in

I just breathe out

**E5**

I may crack but I ll never shatter cause:

**D** Dadd4

I still have a secret no one knows

**D** Dadd4

I may crack but I ll never shatter

**D** Dadd4

I may crack but I ll never shatter

**D** Dadd4 **D** Dadd4

I may crack...
