

Back To The Barrooms
Merle Haggard

Capo 1

Chorus:

G **C**
Now it s back to the barrooms
G **D**
right back to drinking again
 G
Maybe someday you ll love me
 C
Enough to stay with me
G **D**
And whisky won t be my best friend
 D **G**
But now it s back to the barrooms again

D **G**
The bartender knows me he knows how you do me
 D **A**
And he knows why I m back here again
D **G**
He should be given a prize for his patience
D **A**
Cause bartenders do understand
 A **D**
So it s back to the barrooms again

Move capo up 1 fret to 2 (1/2 step)

With the loud music roaring the bartender pouring
And my shaky legs trying to stand
It s over and over I ve tried to stay sober
But look what a failure I ve been
Cause now it s back to the barrooms again

Chorus

Oh yes it s back to the barrooms again
