Merle Haggard

Colorado

A **A7** **D** **A**
There s a place where mother nature s got it all together
D **C#m** **D** **A** **E**
She knows just when to let wild flowers bloom
A **A7** **D** **A**
Somehow she always seems to know exactly what she s doin
D **C#m** **D** **A** **E**
And the lord saw fit to furnish elbow room.

Chorus:

A **A7** **D**
Have you ever been down to Colorado
E **E7** **D**
I spend a lot of time there in my mind.
A **A7** **D**
And if God doesn t live in Colorado
E **E7** **D**
I ll bet that s where he spends most of his time.

I d love to be there watching early in the morning
The sun comes up and crowns the mountain king
If by chance you dare to be there high upon the mountain
I swear that you can hear the angels sing.
