I Came Close So Close To Failure

E B7 E

I came close so close to failure

E B7 E E7

I came close to living alone

A E

I know the kids still love me and their mama

B7 E

But I came so close to losing my home

A E

I felt small enough to drown in each teardrop

F#7 B7

But big enough to admit I was wrong

A E

When I think of what I ve done the cheer runs through me

B7 E

Cause I came so close to losing my home
