

**My Ramona**

**Merle Haggard**

My Ramona

**E** **F#7** **B7**  
Everybody s talking bad about Ramona  
**E** **F#7** **B7**  
They say she s changed a lot since I ve been gone  
**E** **E7** **A**  
They say she may not be too glad to see me  
**E** **B7** **E**  
Cause Ramona doesn t know I m coming home.

Ah but everybody s wrong about Ramona  
They re just going by the way she s actin now  
I just can t believe the things they say about her  
Cause Ramona knows the things I wanna allow.

Chorus:

**B7** **E**  
Ramonaâ€™s gonna be the way she used to be  
**A** **E** **B7**  
And I ll be proud of her just like I was before  
**E** **F#7** **B7**  
She never was the kind to like those crowded bars  
**E** **B7** **E**  
And Ramona won t be seen there anymore.

They say I may not recognize Ramona  
And going by the picture they describe  
The life they say she s living sure don t fit her  
But I know she s still the same sweet girl inside.
