Nobody's Darling But Mine

(D)Come sit by my side little (G)darlin?,  
Come (D)lay your cool (A)hand on my (D)brow,  
Promise me that you will (G)never,  
be (A)Nobody s Darlin but (D)Mine,

Nobody s Darlin but (G)my love,  
Be (A)honest, be faithful, be (D)kind,  
Promise me that you will (G)never,  
be (A)Nobody s Darlin but (D)Mine,

You re as sweet as the flowers in (G)springtime,  
You re as (D)pure as the (A)dew from the (D)rose,  
And I'd rather be somebody's (G)darling,  
Than a (A)poor boy that nobody (D)knows,

Good-bye, Good-bye, little (G)darlin?,  
I'm (A)leaving you just for a (D)while,  
Promise me that you will (G)never,  
be (A)Nobody s Darlin but (D)Mine.
