

One Sweet Hello
Merle Haggard

One Sweet Hello

D **A**
One sweet hello and one sad goodbye
A7 **G** **D**
Two empty arms and these lonely nights to cry
G **C**
Together is was heaven but how quickly time did fly
D **A** **D**
With one sweet hello and one sad goodbye

D **Em**
These precious memories linger on
A7 **D**
Haunting my mind since you're gone
G **C**
These little things between us that really have no ties
E **A** **A7**
Are all we have together and all we realize

One sweet hello...
