They said that we would prob ly not  
**Am G**  
But we row the boat of lightnin through the sky  
**D A D**  
You and I we re ridin high

Chorus:

**G D**  
You and I we re ridin high  
**Bm E A**  
We re ridin high upon the wings of love  
**D F#m G**  
You even changed the color of my sky  
**D A D**  
You and I we re ridin high

There was a time when I did not believe  
That love would fly around with me  
And other loves may soar and then fall and die  
But you and I we re ridin high
